# START IN 3 SIMPLE STEPS!

## 1 WITHDRAW FROM YOUR CURRENT SCHOOL

Send a letter to your child's current school stating you will be homeschooling. This is your right—no special permission or registration is required in Illinois.

## 2 CREATE A PLAN FOR INSTRUCTION

Illinois law requires instruction in core subjects: Language Arts, Math, Science, Social Studies, Fine Arts, and Physical Development & Health. Instruction must be in English. You choose the method, pace, and curriculum!

## 3 KEEP GOOD RECORDS

Maintain documentation of subjects taught, materials used, and your child's progress. While Illinois doesn't require submission, this protects your family and helps track growth.
